Mission

The Bank offers high-quality and professional financial services for dynamically growing enterprises and high net worth individuals from Latvia, the Baltic states, the EU countries and from other countries worldwide.

The Bank aims at providing premium quality service and its personalised and customer-oriented approach allows to devise and offer tailored financial solutions for every customer meeting his/her business needs and personal requirements.

Vision

The Bank is in the leading position in the area of corporate client service and wealth management in Latvia and at regional level.

The Bank plans to consolidate its market position with an aim to ensure stable profit and improve efficiency ratios. Continuation of stable growth, improvement of the technological base and supporting of rational administrative infrastructure are among the Bank's priorities.

The Bank plans to continue to improve the control and risk management systems, personnel training and professional development of all employees.

Rietumu Bank is a socially responsible Latvian bank providing support and assistance to those in need through operations of a specially created charity fund.

Strategy

For achieving the set goals, the Bank has worked out and has been effectively implementing its corporate strategy focusing on the following areas:

- / Cooperation with customers working on international scale, customers who own production companies, distribution networks, retail chains, transportation and real estate enterprises, import and export oriented companies, as well as customers with cross-border business requirements, etc.
- / Assets and wealth management, brokerage services for stock exchange, investment and corporate finance, provision of loans to corporate entities, interbank lending and investment in securities, attraction of interbank loans, corporate and private deposits attraction.
- / Constantly raising customer service quality by improving and expanding the existing product range according to the current market situation and the Bank's technological capabilities.
- / Continually improving the internal processes and information technologies.
